INSTRUCTION RELATED TO SKILL LABORATORY TRAINING SCHEDULE

- 1) The Skill Training Schedule is designed as per instructions of Dean Office.
- 2) In Phase-III Part-II following competency are Covered:
- 3) Students for Tutorial/ Seminar/SGT/ Skill Training are divided into 3 Batches (P, Q, and R) of 50 students each.
- 4) Each batch of 50 students is divided into two batches of 25 students each. This Batch of 25 students will undergo Tutorial/ Seminar/SGT & Skill training during 1 session. HOD will divided the batch undergoing skill training in two batches of 13 & 12 students respectively. These two batches of 13 & 12 students will undergo two skill training allotted against the name of batch for 1 hour each alternately. For OBGY department there is only of competency hence HOD will adjust batch size as per availability of manikin/ simulator.
- 5) As per above table, number of sessions for various competencies are different e.g. SK-1, session is 1 and for SK-5, sessions are 4. However it is difficult to adjust batches according to number of sessions in the timetable block. Hence some session for some competency are more as compared to minimum required sessions.
- 6) The HOD will appoint one faculty as supervisor for keeping record of skill training conducted by department batch wise along with attendance of students.
- 7) At any given point of time, not more than 13 students will undergo skill training on one manikin/simulator.
